Burton J. Williams, Director

FROM THE DIRECTOR'S DESK

Christmas came early this year here at your historical society. On December 2 we received word that we had reached our goal of raising sufficient funds to complete our Fred Meyer challenge grant fund drive. Thanks to the Autzen Foundation, the remaining funds needed to reach our goal was given to us by this generous foundation.

Phase II of the Heritage Center exterior restoration is nearing completion, and appropriate dedication ceremonies will be held early next summer. And then - we hope to begin Phase III of the restoration program which will be interior remodeling, plus all new mechanical systems.

We deeply appreciate the support we have received from so many of our members and friends, and we can truly say, "Yes - there is a Santa Claus". Merry Christmas to one and all, and a happy and prosperous New Year!

CHANGES IN OUR SCHEDULES

The Governing Board of Directors recently approved changes in our winter schedule of open hours, and a change in admission charges. Beginning in January 1988, the Flavel House and the Heritage Center Museum will be closed on Mondays until April 1st when the usual seven day a week tour schedule resumes. Also, effective March 1, 1988 a new admissions charge schedule will go into effect as follows; Adults \$2.50, Senior Citizens \$2.00, and children age 6 to 12 75¢. Remember these charges cover tours of both the Flavel House and the Heritage Center Museum. These changes have been made reluctantly, but we need to use our buildings more efficiently and to increase our cash flow to meet increasing operational expenses. Thank you for your continuing support.

Victorian Dinner a Grand Success

This year's Victorian Dinner in the beautiful Flavel House was a double treat. It was held two nights, with a combined group of diners totalling more than 300. A superb dinner was prepared by a truly master chef, Richard Nelson, who was assisted by two marvelous assistant chefs, Marguerite Zorich and Helen Gaston. The stately mansion was aglitter with Christmas lights and yuletide decor. Jean Anderson, the miracle worker behind the scenes, planned and produced this festive feast and to her all of us are indebted.

Notes from the Archives

The following volunteers deserve a big "Thank You" for all the work - over 750 hours - they've done this year in the archives and on other CCHS projects. May Santa smile on each of them!
